**The Lost Gospel**-Simcha Jacobovici 2014-11-12 Waiting to be rediscovered in the British Library is an ancient manuscript of the early Church, copied by an anonymous monk. The manuscript is at least 1,450 years old, possibly dating to the first century. And now, The Lost Gospel provides the first ever translation from Syriac into English of this unique document that tells the inside story of Jesus' social, family, and political life. The Lost Gospel takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of Jesus' marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus' life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus' connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul—the Church of Mary Magdalene. Part historical detective story, part modern adventure, The Lost Gospel reveals secrets that have been hiding in plain sight for millennia.

**Bible Story Book for Kids**-Karen Jones 2019-11-15 If you want an important tool to teach your children about the wonderful Bible and all the promises it holds, keep listening! The New Testament is a clear and concise summary of the Greatest Story Ever Told, the Life of the Lord Jesus Christ. It is written for young minds to understand and explore the main points of Jesus' birth, life, death, and ascension, as well as the rise of the Christian church. It includes explanations of the locations, culture, hard to understand figures of speech, and the external cultures surrounding his life. Parents--in a world so busy, so beautiful, so interesting, and often so confusing--some of us think that we don't have time for God. However, for those who are aware of him, we can understand the peace what a prayerful life can bring to a soul. Even the little children have daily challenges and daily choices--and imparting a love of God into their heart at an early age is a wonderful gift for a fabulous life. To a child, prayer is a natural instinct. As we raise our children to do good, to live with the principles you are teaching them, it is also important to teach them the power and importance of prayer. In this world, you represent God to a young child--giving them their needs often before they even ask. God encourages all of us to teach them that it is ultimately God who supplies all of our needs. The Bible Story Book for Kids will show you: The miracle of the immaculate conception of Mary The wondrous childhood of Jesus The friendship that Jesus had with his apostles and disciples The miracles that Jesus performed for one person or for thousands The reason that Christ had to be crucified for you and me How the early Christian church grew for both Jews and Gentiles How the power of God can still work today for anyone who believes And much more... The Bible is one of the most amazing miracles God ever performed and is written so that the youngest child to someone who studied it for his whole life can constantly find deeper and deeper levels of understanding about the love that God has for all his children. It is our hope and prayer that this book will start a journey that will last an entire lifetime of learning about God and loving him as a personal Father, to be born again as a child of God, and eventually to be with God and Jesus Christ through all eternity to come. The stories about Jesus Christ and what he did are presented in a brief, simple format, suitable to be studied with your children or read to them at night as they drift off to sleep. It will allow your children to understand that the promise of God to live a powerful, righteous life in this day and time is still available, no matter how far society degrades into confusion. If you desire to give your child a tool that can reward your child for a lifetime and beyond, just get this awesome book and enjoy!

Many of the finest artists from around the world—such as Jago, E.B. Lewis, Javaka Steptoe, and Xiao Xin—have been selected to illustrate the stories, portraying the stories with the style and richness of their own culture. Creating the first truly global Bible for children, their stunning full color illustrations allow readers to experience the Bible stories as if they were there—with Adam and Eve in the garden, with Noah on the ark, with Abraham in the desert, and with Jesus on the mountaintop. Every story shows how God works through history and ends with a short prayer, which personalizes the message for each reader's own life. Archbishop Tutu's wisdom, compassion, and sense of humor shine throughout as he reminds us that, "We are all God's children." Author, civil rights activist, and APARTHEID opponent Archbishop Desmond Tutu was awarded the Nobel Peace Prize in 1984 for his lifelong struggle to bring equality, justice, and peace to his native country of South Africa. As Desmond Tutu quotes: "In the spirit of celebrating children all over the world, each illustrator in this book has been invited to draw on their own unique and rich cultural heritage in their portrayal of these Biblical stories. Their art is truly a marvelous reflection of how we are all made in God's image."
