Religion Around Billie Holiday-Tracy Fessenden 2018-04-27 Soulful jazz singer Billie Holiday is remembered today for her unique sound, troubled personal history, and a catalogue that includes such resonant songs as “Strange Fruit” and “God Bless the Child.” Holiday and her music were also strongly shaped by religion, often in surprising ways. Religion Around Billie Holiday examines the spiritual and religious forces that left their mark on the performer during her short but influential life. Mixing elements of biography with the history of race and American music, Tracy Fessenden explores the multiple religious influences on Holiday’s life and sound, including her time spent as a child in a Baltimore convent, the echoes of black Southern churches in the blues she encountered in brothels, the secular riffs on ancestral faith in the poetry of the Harlem Renaissance, and the Jewish songwriting culture of Tin Pan Alley. Fessenden looks at the vernacular devotions scholars call lived religion—the Catholicism of the streets, the Jewishness of the stage, the Pentecostalism of the roadhouse or the concert arena—alongside more formal religious articulations in institutions, doctrine, and ritual performance. Insightful and compelling, Fessenden’s study brings unexpected materials and archival voices to bear on the shaping of Billie Holiday’s exquisite craft and indelible persona. Religion Around Billie Holiday illuminates the power and durability of religion in the making of an American musical icon.

DK Eyewitness Travel Guide Vienna-DK Travel 2018-04-17 Packed with fantastic photographs, illustrations, and maps, plus detailed descriptions and useful advice, this unbeatable guide will lead you to the best of Vienna. Make the most of your holiday with The Rough Guide to Hungary

Choral-Orchestral Repertoire-Jonathan D. Green 2019-12-05 Choral-Orchestral Repertoire: A Conductor's Guide offers an expansive compilation of choral orchestral works from 1600 to the present. Synthesizing Jonathan Green’s earlier six volumes on this repertoire, this edition updates and adds to the over 750 oratorios, cantatas, choral symphonies, masses, secular works for large and small ensembles, and numerous settings of liturgical and biblical texts for a wide variety of vocal and instrumental combinations. Each entry includes a brief biographical sketch of the composer, approximate duration, text sources, performing forces, currently available editions, and locations of manuscript materials, as well as descriptive commentary, discography, and bibliography. Unique to this edition are practitioner’s evaluations of the performance issues presented in each score. These include the range, tessitura, and nature of each solo role, and a determination of the difficulty of the choral and orchestral portions of each composition. There is also a description of the specific challenges, staffing, and rehearsal expectations related to the performance of each work. Choral-Orchestral Repertoire: A Conductor's Guide is an essential resource for conductors and students of conducting as they search for repertoire appropriate to their needs and the abilities of their ensembles.

Leonard Bernstein-Paul Laird 2013-10-11 Beginning with an introductory essay on his achievements, it continues with annotations on Bernstein's voluminous writings, performances, educational work, and major secondary sources.

Explore all regions of Poland with the clearest maps of any guide, and coverage of off the beaten track sites not to be missed. Make the most of your holiday with the Rough Guide to Poland.

Rowell's American Newspaper Directory- 1893

Making the March King-Patrick Warfield 2013-10-16 John Philip Sousa's mature career as the indomitable leader of his own touring band is well known, but the years leading up to his emergence as a celebrity have escaped serious attention. In this revealing biography, Patrick Warfield explains the making of the March King by documenting Sousa's early life and career. Covering the period 1854 to 1893, this study focuses on the community and training that created Sousa, exploring the musical life of late nineteenth-century Washington, D.C., and Philadelphia as a context for Sousa's development. Warfield examines Sousa's wide-ranging experience composing, conducting, and performing in the theater, opera house, concert hall, and salons, as well as his leadership of the United States Marine Band and the later Sousa Band, early twentieth-century America's most famous and successful ensemble. Sousa composed not only marches during this period but also parlor, minstrel, and art songs; parade, concert, and medley marches; schottisches, waltzes, and polkas; and incidental music, operettas, and descriptive pieces. Warfield's examination of Sousa's output reveals a versatile composer much broader in stylistic range than the bandmaster extraordinaire remembered as the March King. Warfield presents the story of Sousa as a self-made business success, a gifted performer and composer who deftly capitalized on his talents to create one of the most entertaining, enduring figures in American music.

Hymns and Hymnody: Historical and Theological Introductions, Volume 2-Mark A. Lamport 2019-05-24 Hymns and the music the church sings in worship are tangible means of expressing worship. And while worship is one of, if not the central functions of the church along with mission, service, education, justice, and compassion, and occupies a prime focus of our churches, a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship. Hymns and Hymnody: Historical and Theological Introductions is a sixty-chapter, three-volume introductory textbook describing the most influential hymnists, liturgists, and musical movements of the church. This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers who have impacted the church over the course of twenty centuries. Volume 1 explores the early church and concludes with the Renaissance era hymnists. Volume 2 begins with the Reformation and extends to the eighteenth-century hymnists and liturgists. Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty-first century. Each chapter contains these five elements: historical background, theological perspectives communicated in their hymns/compositions, contribution to liturgy and worship, notable hymns, and bibliography. The mission of Hymns and Hymnody is (1) to provide biographical data on influential hymn writers for students and interested laypeople, and (2) to provide a theological analysis of what these composers have communicated in the theology of their hymns. We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology. This latter aspect, we contend, is missing—yet important—in accessible formats for the current literature.

Announcing the Feast-Jason McFarland 2012-02-01 How does the entrance song of the Mass function within the Roman Rite? What can it express theologically? What should Roman Catholics sing at the beginning of Mass? In this groundbreaking study, Jason McFarland answers these and other important questions by exploring the history and theology of the entrance song of Mass. After a careful history of the entrance song, he investigates its place in church documents. He proposes several models of the entrance song for liturgical celebration today. Finally, he offers a skillful theological analysis of the entrance song genre, focusing on the song for the Holy Thursday Evening Mass—arguably the most important entrance song of the entire liturgical year. Announcing the Feast provides the most comprehensive treatment of the Roman Rite entrance song to date. It is unique in that it bridges the disciplines of liturgical studies, musicology, and theological method.
