

Case Studies For Lpn Students

Accelerated LPN to RN | Texas County Technical College

This is one of the reasons our students typically have VERY high pass rates: 2018 LPN to RN class - 100% and 2017 LPN class - 96%. After the conclusion of the program we have an NCLEX prep specialist come to our campus and spend 3 days going over material and practice questions.This is a resource that is unique to TCTC because of our

Licensed practical nurse - Wikipedia

A licensed practical nurse (LPN), in much of the United States and Canada, is a nurse who cares for people who are sick, injured, convalescent, or disabled. In the United States, LPNs work under the direction of physicians, mid-level practitioners, and may work under the direction of registered nurses depending on their jurisdiction.. In Canada, LPNs/RPNs work autonomously similar to the
